Re: Docket No. PA02-2-000

Dear Mr. Sanders and Mr. Behrends:

Please provide the full database exports on the same tape media as used for the Enron OnLine database previously supplied to Commission Staff. For each export, provide details on the database system (*e.g.*, Oracle version ___, SQL Server version ___, etc.) and the tools used to create the export. Provide copies of the scripts used to generate the exports.

In addition, provide the ERD (Entity Relationship Diagram) and the data dictionary for RiskTrac.
